Baby It's Cold Outside Décor

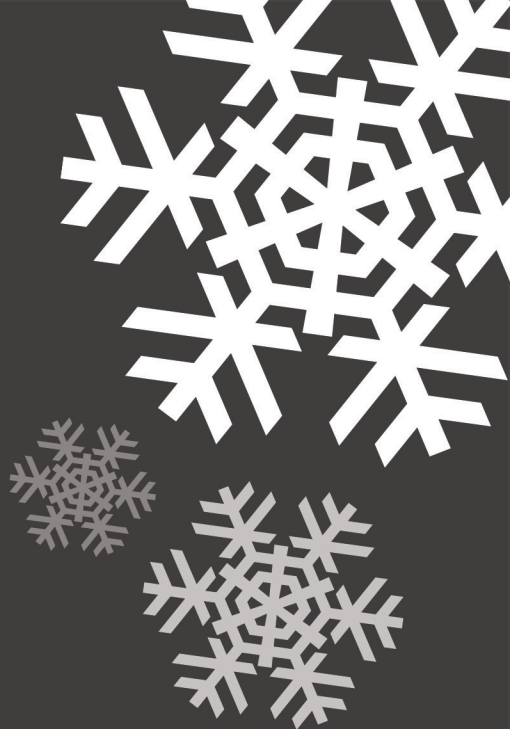

If you love to decorate your home for the seasons, then here's a cute idea for the chilly days of January. Print out this free "Baby It's Cold Outside" printable and frame it. Don't have a frame? Stop by Dollar Tree and check out our wide selection of stylish frames... you're sure to find one you love, and it will only cost you a dollar! Here are some decorating ideas:

- Add the framed printable to your mantel with some greenery and Epsom salt (also from Dollar Tree) sprinkled around to look like snow.
- Put the framed printable on an entryway table with some candles (you guessed it — also from Dollar Tree) to welcome all your guests.
- Place the framed printable near your coffee pot or next to the hot chocolate station at your next party. For frugal fun party ideas, hunt for the **Hot Chocolate Station** on this month's Value Seekers Club page.
