

Decorative To Do's

Nobody likes a to-do list.... but writing one is a lot more fun when it is stylish and cute! This easy-to-make framed to-do list makes a great accessory for your work desk to keep track of phone calls you need to return. You could also use it in the kitchen to keep a grocery list or on your nightstand to help your honey keep track of the current items on the "honey-do" list!

Shop at Dollar Tree – Here's What You'll Need:

- Picture Frame
- Lined Notebook Paper
- Dry-Erase Marker
- Ribbon or Other Embellishments

Easy Step-by-Step Directions:

1. Cut the notebook paper to fit the size of your frame.
2. Place the notebook paper inside the frame.
3. Add a bow or other decorative touches like polka-dots painted on with nail polish or some glitz with some glitter glue to match your personal style.

Fun Tip:

- Don't always write just the boring stuff... leave a love note to your sweetie as a romantic gesture or tell your kids you love them in fun ways.
