### Shop at Dollar Tree – Here's What You'll Need:

- 7 $\frac{1}{8}$ " Green Foam Floral Ring
- Easter Grass (Your choice of color)
- 6 Yards of Ribbon (Choose one of our Easter patterns, or use a solid color if you prefer)
- One Glass Cylinder Vase
- One 8" Glass Jar Candle
- Two 4" Glass Candleholders
- Two 3-oz. Mini Glass Apothecary Jar Candles

### Easy Step-by-Step Directions:

1. Remove the ribbon from its spool and wrap it around the foam ring, overlapping the edges of the ribbon as you go. Once the ring is covered, secure the loose end of the ribbon with a dab of glue or piece of tape.
2. Place the Glass Cylinder Vase in the middle of the ribbon ring.
3. Put one third of the Easter Grass inside the Cylinder Vase, pushing it all the way to the bottom.

4. Place the 8" tall Glass Jar Candle in the center of the Cylinder Vase (on top of the grass) to complete the centerpiece. (IMPORTANT: we used the 8" Glass Jar Candle so the candle flame is kept safely away from all flammable materials).
5. Place the 4" candleholders on each side of the centerpiece ring.
6. Add some of the remaining Easter Grass to each of the candleholders.
7. Place a 3-oz. Mini Glass Apothecary Jar Candle on top of the grass in each of the candleholders. (IMPORTANT: we used these specific jar candles so the candle flame is kept safely away from all flammable materials.)
