

# Value Seeker of the Month

## KellyAnn from Oklahoma

Every month we feature one lucky Value Seekers Club member and their story so we can all get to know each other... that's why we call it a "club"! This month's Value Seeker is KellyAnn from Oklahoma. Here's a little bit about KellyAnn:

*"I moved from a large city to a small rural town. I miss city life a lot, from professional sporting events, parties in the park, horse racing, outdoor music events and shopping malls. One thing I did not have to give up was a Dollar Tree Store. THANK YOU. I love Dollar Tree. I recommend shopping there to all my new co-workers, friends I am making and people whom I plan parties for and their guests. So many reasons to shop at Dollar Tree. I love to shop for simple party decorations, glassware, inexpensive 'thank you' gifts, grilling supplies, 'thinking of you' gifts to mail to family back home, crafts, book lights and so much more. I am currently helping to plan a wedding on a small budget and with the Valentine gifts, crafts and decorations arriving in the store I will have decorations completed and crossed off the to-do-list soon. I joined the Value Seeker Club so I can remain social savvy. I want to know what's available first and have it in my house for all to admire. I will never grow tired of hearing 'Where did you get that?', 'That is so cool, where can I get one?', 'that's so clever, where did you get the idea and supplies to make that?'... Planning social events is my passion and I could not be as successful without my local Dollar Tree. When I'm traveling I make a point to stop at other Dollar Tree Stores to check out the unique items available. I'm hooked for life."*
