

Tip

Oh, Baby! Cupcakes

Need an adorable dessert idea for a baby shower or baby's first birthday party? It simply can't get any cuter than this! With a few simple additions to a regular ol' cupcake, you'll have adorable treats that'll leave your guests crying for more. Plus, everything you need is available at Dollar Tree for just \$1 each... that should *pacify* even the most frugal of shoppers!

Shop at Dollar Tree – Here's What You'll Need:

- Cupcake Mix
- Vanilla Icing
- Baking Cups
- Chocolate Chips
- Pacifiers (2 per pack)
- Muffin Pan

Easy Step-by-Step Directions:

1. Line a muffin pan with the baking cups.
2. Mix the cupcake mix as per the instructions on the box.
3. Fill the baking cups $\frac{2}{3}$ full of batter and bake as per the instructions on the box.
4. Once the cupcakes are baked and cooled, frost each one with the vanilla icing.
5. Place 2 chocolate chips upside down into the icing next to each other to represent the eyes.
6. Cut a slit in the cupcake where the mouth would be and insert the pacifier.

Fun Tip:

- After the guests are finished eating their cupcakes, they can leave the pacifiers behind as an extra gift for the mommy-to-be!
