Pretty Makeup Brush Holder

Tired of digging around in your makeup bag to find the right brush to apply your blush? We have the perfect, low-cost solution to help you take the stress out of your morning routine. This simple fix combines the ease of an accessible countertop makeup brush (or toothbrush) holder with the affordability and elegance of a Value Seekers Club décor idea. With just 2 items from Dollar Tree, your daily makeup brush hunts are officially over!

Shop at Dollar Tree – Here's What You'll Need:

- Luster Gems (choose a color that best accents your bathroom's color palette)
- Glass Vases or Candleholders (we used 3" Square Glass Candleholders)

Easy Step-by-Step Directions:

1. Fill the candleholder $\frac{3}{4}$ of the way full with the gems.
2. Stand your makeup brushes upright in the gems, and place the candleholder on a shelf or countertop.
