## Hot Dog Bar

The perfect picnic weather has finally arrived! Looking for a fun way to make your cookout more memorable? Try setting up a hot dog bar! With just a few easy and inexpensive details from Dollar Tree, the simple hot dog becomes something special for outdoor wedding showers, Father's Day, graduation parties, or patriotic picnics.

### Shop at Dollar Tree – Here's What You'll Need:

- Hot dogs
- Buns
- Toppings (We have a great selection of condiments, relishes, cheese sauces, and even chili!)
- Serveware (We've made it easy to coordinate a Summer party with matching bowls, trays, and plates, as well as tablecloths, cups, and napkins. Plus, you'll find all the grilling tools you'll need!)
- Drinks and Snacks (From chips and dips to sodas and bottled water, you can find it at Dollar Tree. If you need a good dessert, try hunting for our refreshing **Lime Poke Cake** recipe on this month's Value Seekers Club page!)

### Fun Tips:

- Make fun labels for your condiments. Handwrite or use your computer to print the names of your toppings on self-adhesive address labels. Cut colorful, coordinating cardstock slightly wider and about twice the size of your label. Fold in half to make a little "tent" and affix the label. Combat the summer breeze by taping the cards to the tablecloth.
- You can also create wraps for condiment jars this same way by cutting the colored cardstock slightly taller and wider than your condiment's label. Add your printed label, wrap around the bottle, and affix with tape.
- For an easy decoration, hunt for our **Paper Cup Wreath** on this month's Value Seeker's Club page.
