

Dollar Tree Wedding Must Haves

Every bride wants her wedding to look like it came off the pages of the latest bridal magazine... but most brides don't have that kind of budget. With Dollar Tree's help, your wedding CAN be gorgeous without being expensive! Partnering affordable wedding products from Dollar Tree with a little creativity can make your BIG day extra special WITHOUT breaking the bank! Here's our top-recommended wedding must haves:

1. **8-ct. Packs of Mini Wedding Bubbles**

Bubbles are bird friendly and double as favors... plus they make for spectacular reception departure photos! You can easily customize the bubbles by adding a ribbon in your wedding colors and a little thank-you tag.

2. **Mini Frames**

Use to frame table numbers or names for seating arrangements, or place a wallet-sized engagement photo at each place setting as a favor. This idea is so simple, yet can be an elegant touch to any reception table. You could also use these frames at your buffet table or food stations to identify the different food offerings.

3. **Ribbon**

Dollar Tree has a great selection of ribbon in a variety of colors and styles. Choose a color that coordinates with your wedding color scheme and add ribbon accents to candles, bubbles, centerpieces, programs, and so much more. We even carry easy-pull white bows for pews, chair backs, and archways.

4. **Glass Vases and Vase Fillers**

Brides are talking and they LOVE our vase selection for its quality, versatility, and AFFORDABILITY! We have a great selection of professional-quality glass vases, colorful glass gems, decorative sand, and decorative floral wire to help you create centerpieces and flower accents for a LOT LESS.

5. **Candleholders**

From elegant glass candleholders and trivets to the candles themselves (including flameless tealights), we have the tablescape taken care of! Plus, candles are a beautiful addition to your reception tables and a great way to scatter soft, romantic candlelight. For a fresh idea

on decorating simple glass candleholders, hunt for **5 Ways to Decorate a Party with Doilies** on this month's Value Seekers Club page.

6. **Favor Boxes**

Thank your guests for attending your wedding... with style! Dollar Tree has several wedding favor boxes sure to coordinate with any theme, from the classic and timeless white boxes to trendy and hip bride & groom boxes. Dress up the boxes with faux blooms, ribbon, or thank-you tags for an extra-special, yet still affordable, way to let your guests know you're glad they could share in your wedding day.
