

Value Seeker of the Month

Cindi from Port St. Lucie, FL

Every month we feature one lucky Value Seekers Club member and their story so we can all get to know each other... that's why we call it a "club"! This month's Value Seeker is Cindi. Here's a little bit about Cindi:

"You want to know why I love the Dollar Tree? Because it has great bargains! I also can afford to decorate my home for every occasion. Today, I made up flower pots for my door entranceway. I just use 2 small pots of greenery & add red, white & pink silk flowers. I add heart picks & anything else I find special in your store. Everyone compliments them. I then change the flowers & picks for the next Holiday.

I always find different spices & other food items I would never buy in another store. For \$1, I don't mind trying them. I also buy cases of the Crystal water, both in gallons & 6 packs. It is the best tasting water I have ever tasted.

The teacher supplies are a great price. I always need supplies for my 8th grade religion class. I love the fact that you carry religious candy, stickers, coloring books, etc. I am always running in before class to pick candy up or something for my students.

Dishwasher soap is great, brillo... I could go on & on. I love the fact that your cards are so inexpensive. People throw cards out so I rather put the \$ into the gift than a \$5 card! It even allows me to buy candy or little hair products, nail polish, etc. to add to the Dollar Tree gift bag!"

We want to get to know you, too! Email us at dtvsc@dollartree.com and tell us about yourself, and be sure to include a picture! Here are some questions to ponder to get you started (but, you can tell us whatever you think is important to know about you):
