## Desk Organizer

Whether you work in an office, study at a dorm desk, craft on a table in the dining room, or sit at a teacher's desk, it doesn't take much to get disorganized. Have everything at your fingertips with this easy-to-make desk caddy. It's also a great gift for a new teacher filled with pens, pencils, paper clips and other needed supplies (and there's an amazing selection at your local Dollar Tree!).

### Shop at Dollar Tree – Here's What You'll Need:

### Easy Step-by-Step Directions:

1. Cover each glass with the ribbon by gluing down one end of the ribbon and then winding tightly around the glass and gluing in place. (Tip: You can also mix 1 part white glue to 1 part water, dip tissue paper and apply to the sides of the glasses for another look).
2. Glue covered glasses together, forming a pyramid.
