

Value Seeker of the Month

Kelly P. from Palos Hill, IL

Every month we feature one lucky Value Seekers Club member and their story so we can all get to know each other... that's why we call it a "club"! This month's Value Seeker is Kelly. Here's a little bit about Kelly:

"[I love Dollar Tree] because I love to shop and I can afford to come in on a whim and find a great bargain. I also like crafts and am able to find odds and ends to create new ideas.

[My favorite Dollar Tree items are] the to-go coffee cups. My husband takes the train to work, and these disposable cups with lids are perfect! He doesn't have to collect them at work and bring them home at the end of the week. And, they are a fraction of the cost of those found in grocery stores!

I saw a flip-flop summer wreath on Pinterest. For just a few dollars, I was able to get ALL the supplies for it. I get complimented on it every time someone comes over!

I always check out Dollar Tree before I hit other stores for school supplies, cleaning supplies, and gift ideas. My friends even know that I appreciate Dollar Tree gift cards over many other ideas. I am also a teacher, so I am constantly on the lookout for items I can use in class that won't cost me an arm and a leg. With the state constantly lowering school budgets, more and more is coming out of teacher pockets.

[I joined the Value Seekers Club] to see what other people are doing with their finds and to get new ideas for more creations!"
