

Value Seeker of the Month

Chas from Fort Collins, CO

Every month we feature one lucky Value Seekers Club member and their story so we can all get to know each other... that's why we call it a "club"! This month's Value Seeker is Chas from Fort Collins, CO. Here's a little bit about Chas:

"I love Dollar Tree and have been a customer since we got a Dollar Tree in our town back in 2002! I love Dollar Tree because I can get seasonal supplies for decorating, crafting, fun things for the kids, gifts, and the list goes on. In our home we have Family Fun Night every Friday night. I can go to [Dollar Tree] and stock up on craft supplies, games, snacks, and more for an affordable cost. Most of the time our family fun nights are themed and I can always find what I need."

We have a family night coming up, and the theme is "fall". I bought some window clings of pumpkins and with some fun sharpie markers the kids will make faces on them before hanging them up on the windows. We are turning a vase into a pumpkin with paint, then we'll light them up with flicker candles. I bought the magnet leaves & pumpkins... they'll have to find them scattered around the house, then we'll make fun sculptures like leaf people with pumpkin heads and such on our metal front door. I bought a football so we can play catch outside to celebrate the fall football season. We'll play toss the decorative leaves into a basket. We'll roast marshmallows as a treat over our fire pit, and to make fun and easy s'mores we'll put the marshmallow in between two chocolate-covered graham cracker cookies! All of the supplies I needed were at Dollar Tree."

Thanks Dollar Tree for being affordable and inspiring!"
