## New Year's Eve Photobooth

Looking for a way to add some fun to your New Year's Eve party without breaking the bank? A photobooth is a fun, simple, and inexpensive way to make memories that will last for years to come!

Draw, then cut out fun shapes such as mustaches, lips, glasses, hats, and bow ties from craft foam, construction paper, or poster board. Use your computer and printer to print out fun sayings such as "Happy New Year," "Kiss Me," etc. Glue or tape a stick to the back of each shape or saying and group them on a table in a corner with other fun props from Dollar Tree — we have a great selection of feather boas, beads, hats, and masks. You don't even need a fancy backdrop (a plain wall will do)... these photos are all about the people and the fun!
