Fingerprint Christmas Lights Keepsake

Those little fingers grow so quickly! Catch them in time while celebrating the season by dipping your kids' fingertips in different colors of paint and pressing them on white paper. Once the paint has dried, use a black marker and play connect the dots to create a strand of festive holiday lights! Write your child's name and date on a frame (there are a bunch of great ones at Dollar Tree!) for a special decoration or gift for the grandparents. This is also an adorable idea for Christmas cards or wrapping paper and could be used with fabric paint on a t-shirt, tote, or apron.
