## Decorative Painted Rocks

Dreaming of the warmer days of summer? The fresh berries of spring? Love the snow, but had enough of being out in it? Grab a bag of river rocks and paint from your local Dollar Tree and turn them into decorations for the whole year! We painted snowflakes for the winter, strawberries for spring, sunshine for summer, and owls for the fall... but you can get creative with endless possibilities! Display them in a bowl or a vase to celebrate the changing of the seasons.
