Summer rain can ruin more than picnics

# Help protect your home from water damage

## Rest easy and help avoid costly repairs

Wouldn't you rather spend \$7K on your summer vacation than have to pay to repair water damage? According to the American Insurance Association, the average water leak causes \$7,000 in damage.

An unchecked drip doesn't have to ruin your trip. You can relax knowing you're in control with the **Lyric™ Wi-Fi Water Leak and Freeze Detector**. The Lyric app will alert you to a possible leak or flood, wherever you might be.

## Easy to use

The **Lyric Wi-Fi Water Leak and Freeze Detector** is simple to install and easy to use. Install as many as you need—they'll all work together to help you protect your property. With temperature and humidity sensing, your home will be covered in all seasons.
