**Get peace of mind on your summer vacation
with alerts from the Lyric™ Wi-Fi Water Leak and Freeze Detector**

Honeywell

Summer rain can ruin more than picnics

Help protect your home if rain becomes a summer pain

Take control

Relax and enjoy your summer—the Lyric™ Wi-Fi Water Leak and Freeze Detector will detect dampness and alert you, wherever you might be.

Prevent costly damage

Don't let an unchecked drip ruin your trip. A small investment of \$79 in leak detection now could help you avoid an average of \$7,000* in water damage repair costs.

Easy to use

The Lyric™ Wi-Fi Water Leak and Freeze Detector is simple to install and easy to use. Install as many as you need. They'll all work together to protect your home, every season of the year.

Ten minutes to install

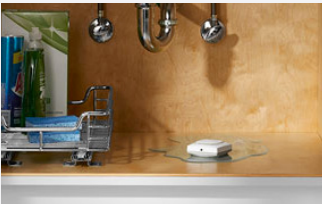

Audible and mobile alerts

Battery operated

Install and go

1.

Place anywhere water could cause problems, like basements and under sinks.

2.

Sync your Detectors to your Lyric app and choose who gets mobile alerts.

3.

You and your contacts receive instant alerts, so you can act before any real harm is done.
