

# Honeywell

## {First name}, welcome to the family

At Honeywell, we're creating the home of the future. With the thermostat controls in the palm of your hand, you'll stay comfortably connected—no matter where the day takes you. That's the future of comfort. That's the future of control.

## Share control

Because your new thermostat is Wi-Fi enabled, other users on your network can manage it through their smartphones or tablets. Forward this message to your family and get them involved.

## Look forward to tailored content

- Seasonal newsletter with advice for keeping your home comfortable through the seasons
- Occasional emails on new products & offers
- Tips on optimizing your device to save more

## We're here for you
