Proud to be #1 in CLO

Year-to-date we have completed 92 deals, provided \$47.7 billion in issuances and own 47% of the market share.

Recognized as a premier global provider of corporate trust, U.S. Bank Global Corporate Trust Services provides expert trust services to corporate clients. We have established a solid position as a responsive specialist that promises and delivers premium performance and service coupled with a steadfast commitment to integrity.

Our emerging global presence in corporate trust can be tied to our commitment to superior service, in-depth expertise and continuous innovation. Where national call centers are a standard for customer service among bank peers, we offer full transparency through access to online tools and local one-to-one direct communication for quick and efficient problem solving. We invest in long-term relationships and are continuously looking to leverage the power of technology to enhance and improve the way we do business.

In 2014, we boast eight First-Time Managers and eighty-five total CLO Managers. Year-to-date we have completed 92 deals, provided \$47.7 billion in issuances and own 47% of the market share. We are the market leader in CLO.US CLO Trustee
